ONE MARYLEBONE ISN'T JUST A VENUE; IT'S A SPACE WHERE IMAGINATION COMES ALIVE

Few venues in London offer the ability to transition from a 250-person garden reception to a full-scale indoor celebration without compromising atmosphere or impact. Even fewer can follow that with a seated dinner for up to 320 and an after-party in a private club, all under one roof. From high-profile brands to private clients, our adaptable spaces offer endless possibilities for hosting events ranging from corporate functions and charity galas to exhibitions, film premieres and weddings. Beyond the space itself, our team can bring every element together for you - from catering and styling to entertainment and production - so that every detail is considered, and every event feels effortless from start to finish.
