Our event portfolio encompasses high-profile corporate galas, diplomatic receptions, luxury product launches, milestone celebrations, and official royal and governmental state functions. Every occasion is approached with an uncompromised devotion to operational precision, cultural authenticity, and the gracious warmth that defines Royal Thai hospitality.

HERITAGE & AUTHENTICITY

REFINED TABLE PRESENTATION

A REFINED APPROACH TO EVENT GASTRONOMY

Thai Square elevates private event dining through meticulously curated culinary concepts tailored to the precise tempo of your gathering. For standing receptions and high-level networking, our signature Canapé Service presents artfully crafted, single-bite epicurean creations — including Caramelised Sea Bass with Lemongrass, Crispy Soft-Shell Crab with Mango Salad, and delicate Satay skewers — designed to encourage fluid conversation without sacrificing gastronomic sophistication. For grander occasions requiring a commanding central feature, our Authentic Thai Feasts offer an opulent showcase of regional specialities, from slow-cooked Panang curries and wok-tossed holy basil delicacies to fragrant organic Jasmine rice imported directly from Thailand. We also offer buffet-style dining, giving guests the freedom to explore an extensive spread of choices — from rich, aromatic curries to our celebrated Pad Thai noodles.

"Every detail seamlessly integrated to align with your corporate prestige or personal aesthetic."
