Wine with love

At Christmas

FLEET STREET | BATTERSEA | LIVERPOOL STREET | ISLINGTON | CANARY WHARF | CROUCH END

Hello! We are Humble Grape and we love wine. Wine with friends, wine with food. Wine out, Wine in. Wine with pretty much everything/really.

We think wine should be fun, so let's banish the boring, ditch the dull, ship out the stuffy and drink wine with a whole lot more character.

Let us be your humble guide.

Humble Grape Christmas Events

Simply give us a brief outline & our team will run with it, then all you need to do is turn up & enjoy yourself. We know our winemakers personally & import our wines directly from small, sustainable, independent vineyards. Our events are packed full of anecdotes straight from the vineyard & our wine friendly 'Humble Plates' are sourced from independent & local suppliers, whose produce can be traced straight back to the farm.

Designed with events in mind, the floorspace, events bar and food menu are highly flexible. A magnificent, double-aspect vaulted wine bar, hidden down the cobbled streets of Fleet Street. Steeps in history, and originally designed by the legendary Sir Christopher Wren.
