Nicole, Abby

You did a fantastic job and all the feedback from our guests has been very, very positive. We couldn't have expected anything better. We have never had such positive feedback from a corporate event!

Ocaris wealth management - 2024

Nicole was an absolute angel in disguise when I found myself having to organise an event with 24 hours notice! We took a big risk putting such an important corporate client into a new venue that we had no previous experience with, but Nicole jumped straight into action. Her flexibility, knowledge of the venue, and calm, positive outlook was invaluable and made my job so much easier! Thank you again Nicole! Looking forward to hopefully working together again soon."

Gemma Collinge – Tag - 2023

"Thank you so much for hosting our event in your beautiful venue. You and the team have been a dream to work with so thank you for all your help and support!" Kim Hosie, Laings Jewellery for Rolex - 2024
