Food & Beverage

## A farm to table ethos of seasonal and organic produce, sourced locally and sustainably

Our menu offers simple but delicious food created to benefit your daily mental and emotional wellbeing. From grab and go pots, salads, sandwiches, and soups, to ovenbaked daily specials and sharing platters. We will always strive to ethically source all our ingredients and seasonal produce from British farmers and work with local suppliers at all times with a vetted and transparent supply chain.

Local Suppliers

We make sure our suppliers uphold the same standards we do. As a B Corp, we look to partner with people who equally value purpose, as well as profit

x+why

## We are x+why and we're on a mission to change the way the world works for good

We're more than pretty plants and neon signs: we bring people together to create change. In every office x+why members are collaborating, partnering and growing. They are sharing resources, insights and expertise to build powerful legacies that change the world for the better.

As a proud B Corp certified business, we believe in walking the walk. We build innovative green spaces to support your sustainability goals. We educate and inspire your business through our bespoke purpose programmes, Mission Lit and WhyB. And the actions of our community are linked to charitable acts around the world thanks to our partnership with global charity, B1G1, which stands for Buy 1 Give 1.

x+why is The Place for Better Business.
