

THE
GOLDEN
HINDE

Corporate Events

Welcome

Join us aboard our 16th Century sailing galleon.

The Golden Hinde is a museum of two histories, four hundred years apart: the circumnavigation of Francis Drake in 1577-80 and the voyages of the reconstruction in the 20th Century.

Since it was invited into its current home in St. Mary Overie Dock in 1996, The Golden Hinde has welcomed hundreds of thousands of visitors onboard to experience a living piece of history where the past comes to life.

A unique, atmospheric, and historical venue in Central London with stunning views of the River Thames, The Golden Hinde is the perfect setting for your next corporate event - whether it's a dinner, drinks reception, product launch, or meeting. We work with a range of trusted caterers and suppliers, including lighting specialists, linen providers, florists, and entertainers, to create a truly bespoke experience tailored to your needs.

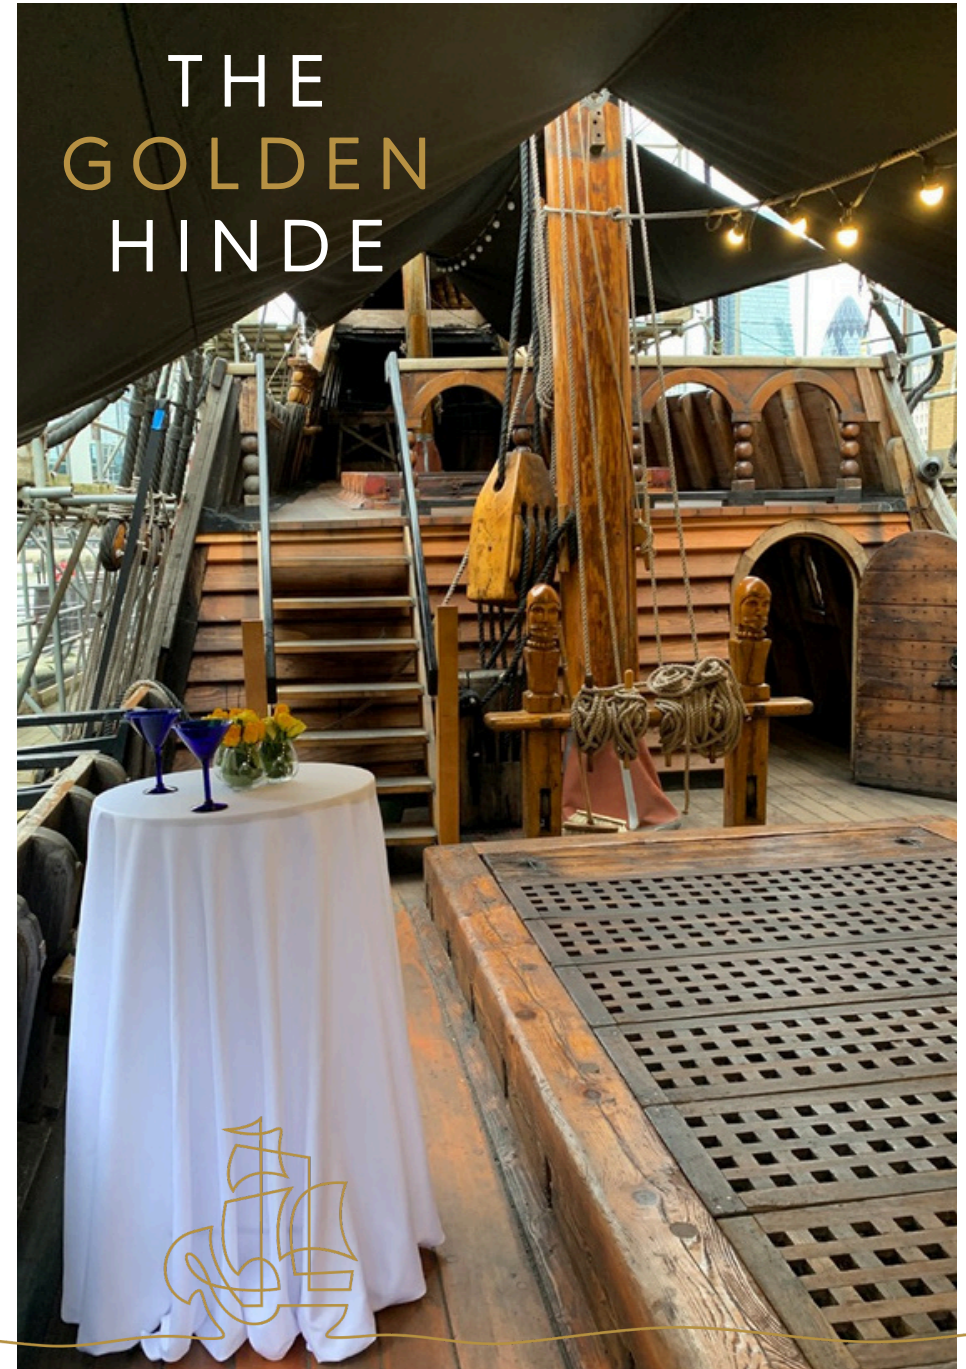

The ship also provides an inspiring and creative space for daytime business meetings and workshops, complete with refreshments and full technical support, including a projector, screen, and PA system.

Hiring The Golden Hinde helps support essential renovations of the ship and our educational work with schools.

Corporate bookings are available from 2pm onwards, unless arranged as a full-day hire.

Contact us to discuss your event and explore The Golden Hinde.

FAQs

THE GOLDEN HINDE

How much set up time is included with a booking?

30 minutes is included for you to access the ship and set-up before your event starts.

Can I bring my own catering?

Yes, but a food service charge applies if you bring your own catering or use an external catering company. Please arrange a site visit - either yourself or with your chosen caterer - due to our unusual kitchen facilities.

Can I bring my own drink?

Yes, a corkage fee of £10 per bottle will apply. We can usually accommodate most drinks requests in-house.

Is there parking at the ship?

No, there are no designated parking spaces for the ship. There is space to drop off equipment/offload outside the ship.

Is the ship wheelchair accessible?

Unfortunately not, due to the historic nature of the ship.

Can I decorate the ship?

Yes, as long as no adhesives or pins which would damage the ship are used.

Can I smoke aboard?

No, smoking, vaping and flames of any sort are prohibited aboard. There is an area off the ship at the bottom of the stairs where guests can smoke.
