THE GAME

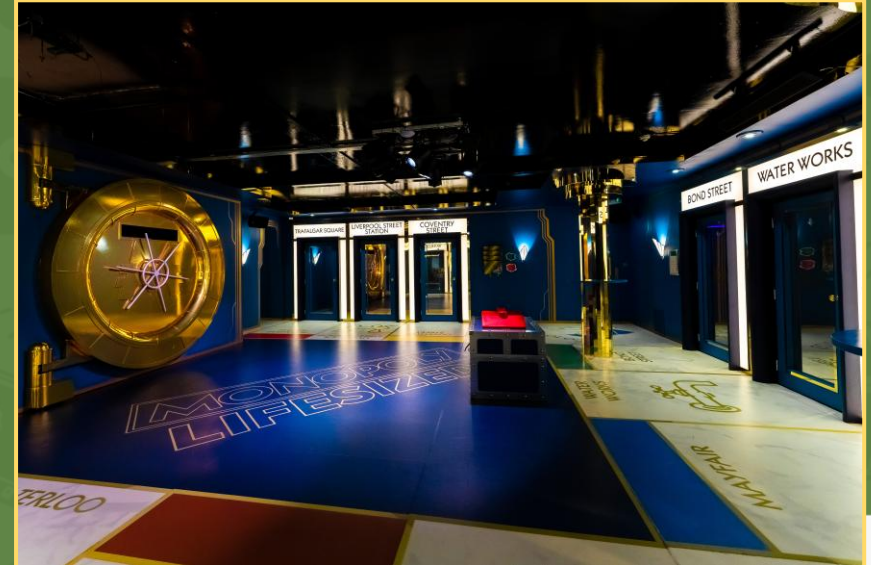

MONOPOLY
LIFESIZED

With four life-sized Monopoly boards to choose from, teams must strategize to win properties, build houses, charge rent and escape jail – all while navigating escape room-style challenges.

Each board can accommodate up to 24 guests, divided into four teams of 6 players.

Whilst the core gameplay remains consistent across all boards, each one offers a fresh theme and a different set of challenges, ensuring a new and exciting experience with every visit.

"250 of us ate, played Monopoly Lifesized and sang karaoke in the Top Hat Bar, and then partied with a DJ in the club downstairs. The staff were excellent and ensured that everyone had whatever they needed all night long. It was exactly what we wanted."

"Huge thanks to James and all the team for our event. The food was delicious, ample and served to perfection! We were wonderfully looked after and plan to return!"
