PRIVATE DINING

# City

Located a few minutes from Bank Station, Goodman City is perfectly located for business meetings and client entertaining.

NOTES: Capacity 8-10 people  
No minimum spend

The restaurant interior is “Classic Goodman” – dark and light woods, glass, leather, giving the timeless and elegant feel of an upscale American steakhouse.

The Private Dining Room is an intimate, but flexible space, that encapsulates Goodman. A butcher’s-style table seating up to ten people. Dark wood furniture.

A sliding door that creates both the utmost privacy or simple access to the atmosphere of the restaurant and, perhaps most spectacular of all, backed by a glass wall offering an exclusive view into our celebrated Goodman dry ageing room.
