The bar area

Tables and areas reservable for most group sizes. Assorted tables and seating for groups of 10 - 60 or more considered.

We have a number of tables at the front of the bar which we can combine for large groups up to 20 if you are happy with a combination of seating and standing room.

The back room and patio garden

Can hold up to 35 - 40 guests standing guests standing - a semi private area with comfy seating, tables and a wood burning stove for Winter nights. It's right next to the main bar area and backs out onto a west facing patio with additional tables and seating perfect for a Summer celebration.

The basement

An atmospheric space available for bookings of up to 40 people.

Assorted sofas, chairs and bar stools with a dedicated cocktail bar.

A separate PA is available for your own background music choice.

Generally unavailable in the Summer months.

Food

Cheese and Charcuterie sharing boards. If you are looking to entertain a large group then a mixed platter of La Fromagerie cheeses and Cobble Lane charcuterie is an excellent starting point. We'll serve these as and when you wish accompanied with toasted sourdough, in house made HOT chilli jam, smoked almonds and cornichons. A sharing mixed board of cheese and charcuterie is sufficient for up to 4 people grazing. Simply increase the number of boards depending on the size of your group.

Service

Table and small party bookings are not always subject to minimum spends so with that in mind we encourage you to peruse our menu and preorder drinks and or food. This helps immensely with speed of service for your party and is a great way to get things started so that your guests feel looked after. A discretionary 10% service charge will be added to all table bookings - we split this equally among the whole of the team.
