THE SLOANE CLUB

A Setting For Every Celebration

Founded in 1922, The Sloane Club has been at the heart of Chelsea life for over a century. This Christmas, our distinctive spaces provide an elegant setting for gathering, celebrating and creating memorable moments with friends, family, colleagues and clients.

At the heart of the Club, Venus and LILA offer beautifully considered settings for festive celebrations, from Christmas dinners and long lunches to drinks receptions and larger gatherings. Each space has its own character, complemented by the warm hospitality and exceptional service synonymous with The Sloane Club.

For more intimate occasions, our private dining rooms offer a secluded and elegant setting, perfect for festive dinners, corporate celebrations, client entertaining and smaller gatherings.

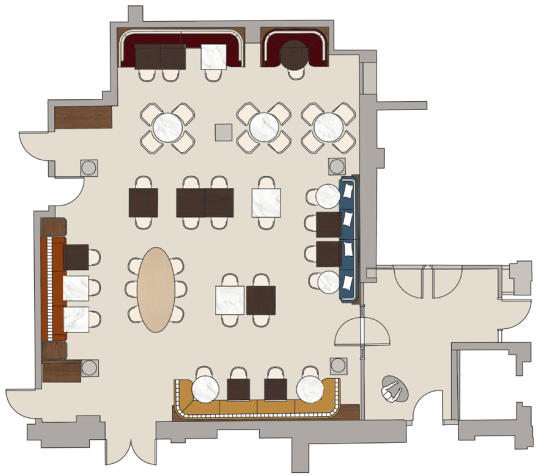

Whether raising a glass with colleagues, gathering friends or celebrating with loved ones, The Sloane Club offers a uniquely Chelsea setting for a Christmas to remember.

VENUS

At the heart of The Sloane Club lies Venus, our signature dining room, inspired by the iconic statue of Venus in Sloane Square.
Bespoke artwork of the goddess of love and beauty, delicately handcarved into the walls, enriches the space, while a striking chandelier frames a glass skylight that bathes the room in natural light.

Elegant yet versatile, Venus provides a beautiful setting for Christmas celebrations of every kind, from festive lunches and intimate Christmas dinners to sophisticated drinks receptions and end-of-year gatherings. With its timeless character and warm, inviting atmosphere, Venus is the perfect backdrop for celebrating the festive season in style.
