

Little Fires

ABOUT US

Long before bars, before restaurants, before playlists and menus,
People gathered around little fires.

Not big ones. Not roaring ones.

Little ones.

Just enough to see each other. Just enough to cook.
Just enough to tell stories. Just enough to stay.

People brought what they had.
Food. Drinks. Songs. Stories.

They didn't rush. They didn't perform.

That's what Little Fires is.

Not a just a bar. Not a just a restaurant.

A gathering.

WE CHOSE THE NAME BECAUSE IT MEANS MANY THINGS AT ONCE.

Little fires are

**THE SMOKE
OF MEZCAL**

**THE HEAT OF
CHILLIES AND SPICES**

**THE WARMTH OF A
LATE-NIGHT ROOM**

**THE WARMTH OF
VINYL CRACKLING**

**THE QUIET ENERGY OF
PEOPLE SITTING CLOSE**

**THE STORIES THAT START
SMALL AND STAY**

Little fires don't overwhelm. They invite.

So stay a while. Eat. Drink. Listen.
