## ONE MARYLEBONE ISN'T JUST A VENUE - IT'S A SPACE WHERE IMAGINATION COMES ALIVE

---

Few venues in London offer the ability to transition from a 250-person garden reception to a full-scale indoor celebration without compromising atmosphere or impact. Even fewer can follow that with a seated dinner for up to 320 and an after-party in a private club - all under one roof. From high-profile brands to private clients, our adaptable spaces offer endless possibilities for hosting events ranging from corporate functions and charity galas to exhibitions, film premieres and weddings.
