

PRIVATE DINING & EVENTS

EST. 1997

It was an unusual route that led to the establishment of Moro. Two cooks, Sam and Sam Clark, shared a desire to discover the abundant flavours of the Southern Mediterranean. They married, bought a camper van and set off on a journey through Spain, Morocco and the Sahara, learning, observing and tasting along the way.

They opened Moro on Exmouth Market in 1997, followed by Morito next door in 2010 and Morito Hackney Road in 2016. Today, the Moro family extends across a collection of restaurants, private spaces and catering, each with its own character but united by the same approach to seasonal food, generous hospitality and bringing people together around the table.

From intimate dinners and long lunches to weddings, parties and larger celebrations, our spaces offer a setting for every occasion.

Wine has always been an important part of the Moro experience, with a carefully considered selection reflecting the regions and food that inspire our cooking.
