

THE POSTAL EXPRESS

Christmas at Mail Rail 2018

Allow Oxygen to whisk you off on a journey through your party, taking in the wintry scene that is the main depot space, stopping off at the bar for a festive drink and of course riding the main attraction, The Postal Express, also known as Mail Rail.

This year we've made having your Christmas party at Mail Rail simple. Whether you are having a drinks reception or a sit down dinner, the package price is the same for everyone.

What will make your event stand out are the 'first class upgrades' you go for. Look out for the first class stamp in this brochure to help you decide what you would like to add to make your event truly unique!

Entertainment Christmas 2018 at Mail Rail

We are happy to accommodate any acts you wish to have perform at your festive event, however we require a technical rider so that we can best assess how to be of service.

There are many options to transform the space for a live act, these include:

Staging for acts and bands
Stage lighting and audio systems

We will create a bespoke quotation for you, based on your exact needs.

A dance floor is a must if you want to make sure that the party never stops and the main depot space lends itself perfectly to having one right in the middle of it.

We have a range of different styles of dance floors and different sizes depending on the amount of guests that will be attending your event.

Please feel free to ask us for more information.
