A photograph of three young women with blonde hair, wearing black dresses, celebrating at a Christmas party. They are smiling and looking towards the camera. The woman on the left has her right arm raised. The woman in the middle has her mouth open in a joyful expression. The woman on the right is also smiling broadly. The background is dark with warm, bokeh lights, suggesting an indoor party setting. A large, textured gold triangle is overlaid on the left side of the image, containing the main text.
