WHY CHOOSE THE KIA OVAL?

INDUSTRY-LEADING CATERING

Working in partnership with Levy, we proudly serve seasonal, sustainable and beautiful menus for all types of events. From fine dining and finger-buffets, to summer BBQs and sweet plant-based desserts, our expert team of chefs can cater to every occasion.

HISTORY AROUND EVERY CORNER

The Oval has been standing in its Kennington home since 1845. Overlooked by the famous gas holder, the pitch has seen it all from the inaugural FA Cup Final in 1872 to the modern-day miracle Ashes Test Match in 2005; and your event can experience it all with stunning pitch-facing spaces under the backdrop of the London skylines from Vauxhall to the City.

GRASSROOTS CRICKET AT OUR HEART

As a Member-owned Club, the revenue generated from all commercial activity is gladly re-invested back into growing cricket in Surrey, around England and the World through multiple partnerships with the likes of Surrey Cricket Foundation, Lambeth Council and Cricket Rwanda.

FOOD

With world class menus, and a strong commitment to sustainability, the Kia Oval is the perfect setting for meetings, conferences, exhibitions, and unforgettable events.

Known for our creative dishes, exceptional flavours, and attentive service, the Kia Oval is where great hospitality meets real impact - a place to host, connect, and be inspired.

Pushing the boundaries in excellence, flavour and culinary innovation, the Kia Oval's menus incorporate a nose to tail, root to peel and leaf to stem philosophy - we work hard to make sure nothing goes to waste.

FOOD WITH IMPACT

Executive Chef Josh Stanton and his team work tirelessly to incorporate regenerative and sustainable practices into every aspect of the Kia Oval's culinary operation – from their low-waste approach to plant-based and free-from cooking, to use of regeneratively farmed meat, sustainably caught fish and low intervention wines.

Sustainability isn't something the Kia Oval's culinary team just talk about; they are determined to make a difference whilst delivering extraordinary culinary moments through our four Climate Commitments.

1. **Sourcing in season:** Prioritising seasonal ingredients for peak flavour and freshness.
2. **Swapping at scale:** Substitute in more sustainable ingredients and champion lower carbon impact alternatives.
3. **Avoiding Surplus:** Fighting food waste with a nose-to-tail, root-to-tip philosophy and education.
4. **Stirring the pot**: Training teams in sustainable best practices such as measuring and labelling carbon impact through our partnership with Foodsteps.
