

Bright Courtyard Club

"A highlight on the Marylebone dining scene, this is a must for all lovers of good Chinese food." - Toptable

Bright Courtyard Club is part of the Shanghai Life Fashion Group. Our motto is innovation, style and quality.

Established in 1997, our first restaurant Jia Zhou opened its door for the first time in the Jia Ding district of Shanghai. After a few years of solid expansion and with our heartfelt commitment to innovations and developments, Shanghai Life Fashion Group was founded in 2004.

Currently our group is made up of three high quality brands in Shanghai: Life Fashion Restaurants, Bright Courtyard Club 'New Tian Di', and 'Just Joined Inn' Business Hotel. Each of them represents a great market share in Shanghai and has strong development potential both in China and internationally.

Bright Courtyard Club London is a contemporary Chinese restaurant, situated in the landmark building 55 Baker Street, within easy walking distance from the popular Mayfair area and buzzy Marylebone High Street. Sophisticated, fashionable yet discreet, Bright Courtyard Club restaurant and lounge is the ideal venue for an important lunch meeting, tranquil afternoon tea or fun-filled dinner party. Opened in autumn 2011, we offer our guests an all-day grazing experience, specialising in authentic dim sum, modern Cantonese and traditional Shanghai cuisine with a twist.

Modern decor provides an elegant backdrop to creative interpretations of our modern cuisine along with a superb and extensive wine list. The space is arranged to offer areas of intimacy, luxury and comfort.
