ACTIVITIES & EXPERIENCES

Bring friends and colleagues together with a range of unique experiences tailored to your needs.

Food & Drink Tastings:

Feed body and mind with our selection of bespoke tastings and pairings. Come together over a gin or whisky tasting, learn sabrage – the art of opening a bottle of champagne with a sabre, or explore the world of rum with our exclusive rum experience.

Local Experiences:

The 200 year old Burlington Arcade is London's original 'shopping mall'. Today, it houses purveyors of antique jewellery, watches, cashmere and more. Take a tour with one of the Beadles (the oldest and smallest police force in the world), who have guarded the arcade since its inception and still wear the Victorian-inspired uniform today.

Sustainability:

Our hotel is deeply committed to protecting our environment and contributing to local causes. We are proud to have phased out single use plastics, partnered with Floris to provide luxury refillable toiletries and support local charities such as The Springboard Charity and Action Against Hunger.

We work with Winnow Solutions to help monitor and reduce our food waste and we even keep bees on our roof – 60,000 of them.
