# OUR MENU'S

Our menus change with the seasons and consist primarily of meat and produce from our regenerative farm in Longtown, which is ten minutes up the road from the pub.

Our aim is to control as much of the process from farm to plate as possible and we are extremely fortunate to have our on-farm butchery, where we dry age our meat and produce our range of home cured charcuterie. This nose-to-tail approach means that no part of the animal is wasted.

Anything we can't grow or rear ourselves is sourced from our local network of small producers.

Still Water, Hard Lines Filter Coffee and Nudie Teas are included in the price of the menu. Prices are inclusive of VAT. We will take a deposit of 30% upon confirmation of booking. A discretionary service charge of 10% will be added to your bill.

## CANCELLATION POLICY

If your reservation is cancelled at least two weeks in advance of your booking date, we will refund 100% of your security deposit.

If your reservation is cancelled with less than two weeks until your booking date, we will retain your security deposit.

If your reservation is cancelled within 24 hours of your booking date and time we will charge you the full amount of your agreed quotation (i.e. if your booking is for 14 people the amount would be 14 x £Menu price).
