

HORIZON 22 EVENTS

BY SEARCYS

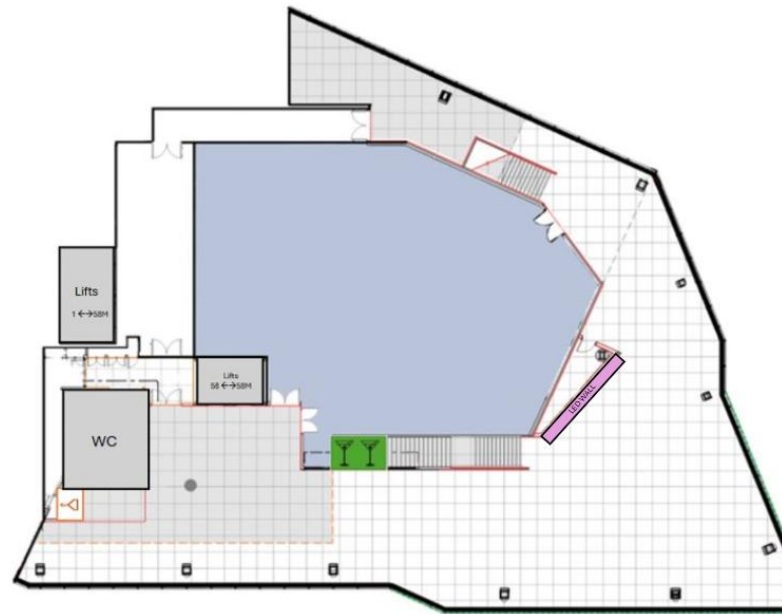

Horizon 22 Events

Perched high above the heart of London, guests are welcomed via a private entrance on Bishopsgate and whisked to Level 58 in just 41 seconds, arriving at a dynamic space designed to impress.

Featuring 8.4-meter-high ceilings and 817 square meters of versatile space, Horizon 22 is a sleek, adaptable venue that confidently supports a range of events, from high-energy fashion shows to sophisticated award dinners. State-of-the-art technology, including LED lighting and an advanced acoustic sound system, ensures your event is executed flawlessly.

BY SEARCYS

Blank Canvas

Horizon 22's blank canvas allowed Aztec to devise exactly what they wanted to see in the space, with an area for panel.

Catering

Horizon 22's catering was able to offer signature dishes from five global offices, which enhanced Aztec's bespoke event stations. The bespoke cocktail station allowed guests to sample alcoholic and non-alcoholic options throughout the evening.

Audio Visual and Production

Horizon 22's remarkable built in technology allows business presentations to seamlessly be incorporated into drinks receptions.
