**SOMETHING A LITTLE EXTRA?

We've worked hard to create party packages that give you all the ingredients for a special celebration however we understand you might wish to add a cherry (or two) on top! Here are some suggestions for options to enhance your package but we'd be happy to discuss additional options should have something else in mind.

A large, reflective Christmas tree ornament is the central focus, filled with several wrapped gifts in red and white paper with gold ribbons. The ornament's surface is highly reflective, showing distorted images of the surrounding environment, including a Christmas tree and lights. The background is a soft, out-of-focus pinkish-purple.

BESPOKE

We understand that a packaged party might not be for everyone and the possibilities at Tobacco Dock extend way beyond the options listed so far.

If you'd like to discuss ideas for revised offerings or even dry hire rates, we'd be happy to guide you through the (almost) limitless opportunities available.

Please reach out to one of our team so we can start bringing your ideas to life!
