Several ornate chairs with dark wood frames and upholstered seats are arranged around small round tables. The walls are dark, and a large, multi-tiered chandelier hangs from the ceiling. A long, dark wooden bar or counter is visible in the background. The overall atmosphere is elegant and sophisticated.

Bothy

Après-Ski meets the Scottish Highlands in our Bothy. A firm favourite for all occasions, this stylish space boasts plenty of character.

Ideal for a range of functions, Bothy regularly plays host to the likes of mid-morning meetings to afternoon soirees, and evening events such as birthdays and retirement parties.
