

TEAM BUILDING & OUTDOOR EVENT SPACE

Discover the perfect venue for your next team-building event at The Oxfordshire Golf Hotel & Spa, where our expansive outdoor space offers unparalleled opportunities for fostering collaboration and creativity.

Set amidst the picturesque Oxfordshire countryside, our lush green fields, scenic golf course and versatile open areas provide an inspiring backdrop for a variety of team-building activities.

From invigorating outdoor exercises and challenging obstacle courses to relaxing group picnics and strategic games, our outdoor facilities are designed to enhance team cohesion and morale. With ample space to accommodate groups of all sizes, The Oxfordshire Hotel & Golf Club ensures a memorable and productive experience in a refreshing, natural environment.

HOTEL

50

BEDROOMS

4

STAR RATING

The Oxfordshire enjoys an excellent location, just a 5 minute drive from the M40 motorway with easy access to both central London & Birmingham.

Each of our 50 spacious and well appointed bedrooms provide the ideal space for customers to either catch up on work or relax after their meeting.

Guests have full access to our high end leisure facilities including the Tempus Health Club. This features a fully equipped gym and Spa.

MEETINGS & OUTDOOR EVENT SPACE

8

MEETING ROOMS

180

MAX CAPACITY

The Oxfordshire is perfectly suited to meetings and events ranging from a two person interview to a 180 person gala dinner. Each of the versatile meeting rooms are located close to our bars & Sakura restaurant.

The majority of our meeting rooms feature enviable views of our championship golf course and the surrounding Oxfordshire countryside.

The vast outdoor space features an 18 hole Championship golf course, golf practice facilities as well as space for team building and motorised/heavy vehicle events. Extensive, free parking is available to customers adjacent to the main Clubhouse.

The Oxfordshire is committed to environmental sustainability and has invested heavily in both solar & heat exchange projects in recent years.
