Car Parking

If some of your guests are travelling by car, you have the options to park on the side roads of Portsmouth road or Westfield Landing (located a few seconds away) which can hold up to 8 cars with a pay and display.

Alternatively, you can hire Thames Sailing Club car park which can hold around 30 cars. Enquire with us for prices.

Sound Restrictions

In our Marquee & Lawns, no amplified music can be played outside, but we do allow acoustic music. In the Marquee all bands or DJ's will have to go through our PA system and can only have an electric drum kit.

In the Britannia, the bands must bring their own PA system but run it through our limiter. They may have a drum kit unlike the Marquee.

All bands need to have a sound technician and in ear monitor.

Minimum Numbers

We don't have minimum numbers for any event. The only thing to note is under 40 guests incur a +15% service charge for catering only.

We would love to have you...

Thank you for taking the time to consider us as your venue. With our expert team of coordinators, we work with you together so we can create the most magical day.

We love feedback so let us know your thoughts good or bad! We only want to make your day as special as ever.
