Eden Caterers

We are proud to partner with Eden, who have been delivering seasonal, stylish, and sustainable catering across Central London since 1993. Through

Eden, we offer a range of menus featuring a fantastic selection of vegetarian, vegan, meat, and fish options. All meat is free-range, and all fish is sustainably sourced.

Menus change quarterly to showcase the best seasonal ingredients, while sandwich and buffet selections rotate on a three-day cycle to ensure variety.

Eden makes virtually everything in-house, including chutneys, dressings, pickles, and cakes. This commitment to homemade food ensures every dish is full of flavour, nutritional value, colour, and interest.
