A bit about Eden...

Eden have been delivering seasonal, stylish, and sustainable food to companies across Central London since 1993.

Through Eden we offer a range of menus featuring a fantastic mixture of vegetarian, vegan, meat and fish items. Our meat is free range and our fish sustainably sourced.

We change our menus every four months and rotate sandwich and buffet menus over a three-day cycle to ensure variety. Eden make virtually everything in-house including chutneys, dressings, pickles, and cakes. This insistence on homemade ensures our food is full of flavour, nutritional value, colour and interest.

For their sustainable efforts Eden have a 3-star rating, the highest possible, from the Sustainable Restaurant Association, positioning them as London's most sustainable caterer.
