# Sustainable menu choices

## Our Fish

Our fish is 100% sustainably sourced. We supply MSC certified and all our suppliers comply with conservation guide good fish to eat along with ASC, GAP and BAP accredited practices.

## Our Tea

Our tea supplier is UK supplier Clipper, chosen for its Fairtrade and sustainable credentials- natural, biodegradable, organic & B corp certified.

## Vegan/Vegetarian

We offer a Green DDR with all plant-based menu. Ask for more details. We always offer a Vegetarian/Vegan options to our meals and clearly label those options. In 2023 41% of main courses on menus across all Elixir sites were Vegan and Vegetarian.

## Our Meat

We adopt Red Tractor standards for fresh meat from our UK suppliers. All eggs are sourced from the UK and Red Lion accredited. We have a range of free range and organic products. As part of our carbon reduction strategy we have replaced high carbon ingredients with low carbon based proteins.

## Healthy Eating

We provide innovative and nutritious dishes which are dietitian approved and contain a balance of macro and micronutrients to support the health and wellbeing of our guests.

## Packaging

We use crockery and glassware where possible. If we do need to use disposable catering products, these are supplied by Vegware, all their products are plant-based and compostable. Any waste is processed in our bio-digester.

## Our Produce

Working closely with our catering partner 'Elixir' favouring sustainable choices - our event menus are local and seasonal, and the majority of products we source are British and do not involve high air miles.

## Food Waste

We carefully specify the correct amount of food we produce. In the case, we do have food waste, after being enjoyed by staff or offered on the 'to good to go' app - any leftover is processed in our bio-digester to provide compost for our grounds team to use on campus.

## Our Coffee

We are a certified Fairtrade University and serve Fairtrade and ethically sourced coffee.

## Special dietary requirements

Please let us know if there are any special diets. We cater to all special and religious dietary requirements and it is very important for us to create an inclusive environment for all.

## Ethical Choices

We provide and promote ethically sourced food and drink. All suppliers must adhere to our charters for ethical procurement.

# TESTIMONIALS

*"Everyone is so brilliant and helpful here at Roehampton Venues"*

**Delegate attending EMDR training, April 2024**

*"Renata was fantastic in her communication, we truly feel we received a great level of service"*

**Amy - PRO-series tennis, February 2024**

*"We insisted with our team to come back here at Roehampton Venues for delivering the training, brilliant venue, so professional and on point. The food is exceptional and always on time."*

**Claire, Trainer for Wandsworth & Richmond Council, April 2024**

*"The Roehampton Venues Team supported us very well, quick responses and amenable to our requests as usual. Michela was available at all times and helped with the set-up, was able to bring the break slightly earlier, and was quick to reply to all queries. The space was perfect, with great catering and the staff working were all friendly and polite"*

**Vikki - ITF meeting, March 2024**

*"Charlotte responded very quickly, and I liked how Lucy would check often to ensure everything was running smoothly. The space was great, perfect for what we needed, and I liked the two smaller rooms on either side for the refreshments. Everything seemed very clean."*

**Richard, Clarion Gaming, March 2024**
