WE ARE WHAT YOU MAKE US

WELCOME

This is Victoria Warehouse: an event space like no other in the heart of Manchester.

Our heritage in the cotton trade has been a symbol of strength and innovation in the city for more than a hundred years. Now, we're channelling that spirit into Manchester showmanship.

The historic nature and unconventional surroundings of Victoria Warehouse have inspired Britain's greatest brands. Co-op, Topshop, Mini, Jaguar Landrover, Kellogg's and Manchester United have all chosen us to deliver an eclectic mix of sports and music shows, parties, gala dinners, conferences and meetings. And the verdict was unanimous: we are *the* venue for enthralling events.

But it's not just a venue. Victoria Warehouse is supported by a team that know two events are never the same. They work hand in hand with our clients to adapt the space for large and small-scale events alike. Victoria Warehouse can be anything you want it to be. The limit is your imagination.

Our mission? To be an iconic and inspiring destination where the UK's greatest events and experiences unfold.
To be the place everyone is talking about.

THIS IS THE PLACE

We are the city that split the atom. We created the first programmable computer. We gave the world Joy Division, the Gallagher brothers, and the first professional football league. Manchester has earned its status, and it deserves a place to showcase its talent.

Victoria Warehouse is dedicated to setting the scene for the shows, conferences and events that make Manchester a worldwide destination. Hard working and full of character, we live up to the Mancunian reputation and make no apologies for that fact.

We strive to be every bit as iconic as the city itself. We sweat the small stuff. Details make experiences memorable, so we make sure that nothing gets overlooked.

Victoria Warehouse puts talent and ambition on a pedestal, giving a platform to the spirit that makes Manchester the creative and economic hub of the North.

This is the place – what will you make of it?

“We experienced nothing but a professional, high quality and helpful service from everyone at Victoria Warehouse.”

OUR EVENT SPACES

Standard, off-the-shelf, pre-packaged event space – we’ve seen it all before. Victoria Warehouse is about much more than that. The Cotton Sheds and hotel stand proudly, giving you the freedom to choose a space that suits the occasion.

The Victoria Warehouse Hotel holds multiple spaces in one. From the urban ambience of The Archives and Cellars, to the beautiful backdrop of The Bays, our hotel is defined by diversity. The charming Skyhook and Cinema are also available for smaller projects. A sprawling space for large events and productions. The Cotton Sheds have a true character of their own. Spread out over two levels, The Cotton Sheds are comprised of eight rooms and limitless possibilities.

We defy convention by fine-tuning event spaces to ensure they’re perfect hosts for the occasion. Every inch of Victoria Warehouse can be dramatically transformed to embody your brand or theme from top to bottom.

And we don’t just provide space; our team goes above and beyond to bring your ideas to life. By making small, impactful recommendations along the way, we ensure the result is something distinctive, inimitable, and completely unforgettable.
