

CHRISTMAS 2025

DOWN THE RABBIT HOLE

IN THE UNDERGLOBE AT
Shakespeare's Globe

The background is a dark, moody illustration of a grassy bank. At the top, there's a patch of green grass. Below it, a dark, textured bank of earth or mud is visible. A hole has been dug into the bank, revealing a network of thin, light-colored roots hanging down. To the right of the hole, there's a small, dark, still pond. The overall color palette is dark, with greens, browns, and greys, accented by the golden text.
