THE PAGODA

Our Garden Pagoda is a beautiful and unique space for a meeting in the sunshine. If you're looking for an intimate conference or corporate lunch with a countryside landscape the pagoda will give your delegates an experience to talk about for weeks to come!

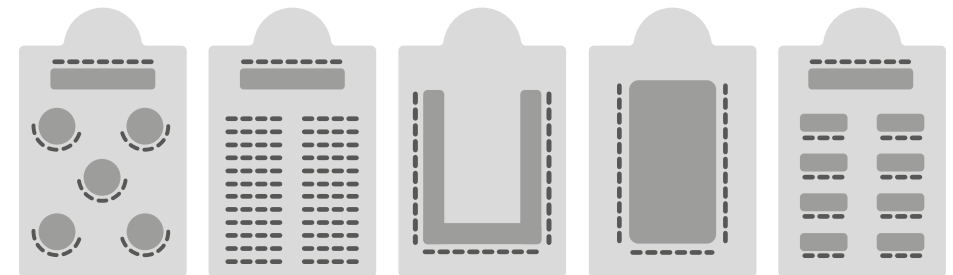

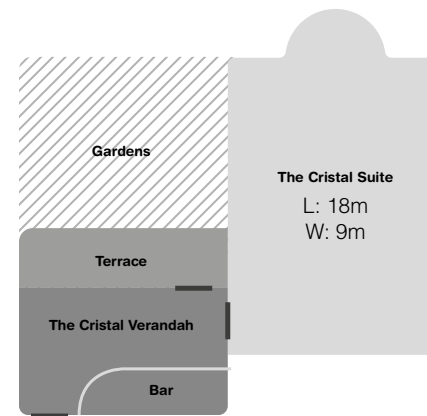

THE CRISTAL SUITE

THE CRISTAL SUITE & VERANDAH

The Cristal Suite & Verandah is a stunning function space, with plenty of natural daylight, air conditioning and private bathrooms. This room is perfect for companies wishing to hold meetings and events who are looking for more than the predictable corporate environment.

The Cristal Verandah is a great space for arrival and reception refreshments to be served. Delegates can enjoy networking on the terrace overlooking the beautiful grounds if the weather permits, the grounds also make the perfect place for team building activities.

Many different layouts can be accommodated in this suite from 20 on one large table to 180 theatre style.

THE TORINTONE SUITE

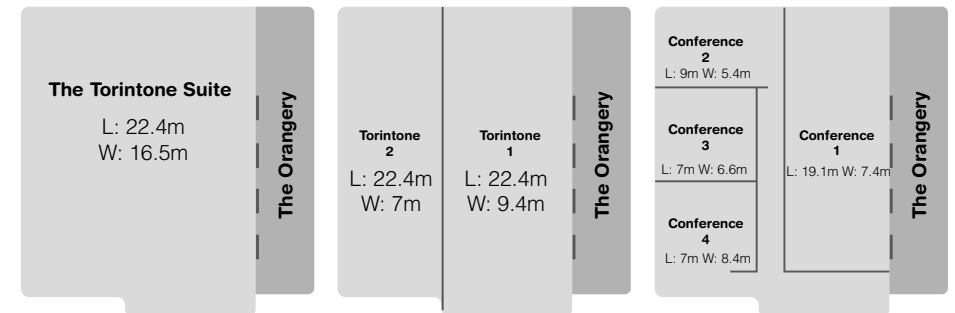

THE TORINTONE SUITE & ORANGERY

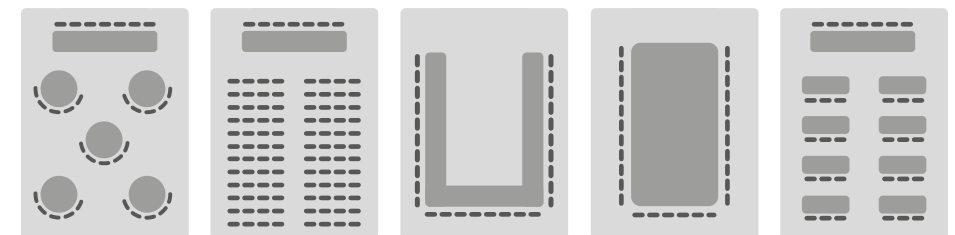

The Torintone Suite is a beautifully decorated self-contained function room with private entrance and car park facility. The suite has a large foyer area which is a perfect space for registration desks and group check-in. The bar area is great for serving refreshments as well as networking. The main suite can be separated with partition walls to create 4 conference rooms that vary in size. The Orangery is a quiet breakout area for delegates to use as well as a bright and decadent space for coffee breaks and lunch. The room has multiple doors giving direct access to outside allowing delegates to take advantage of the gardens with seating and team building options.

Whether you're looking to organise a meeting for 20 or 600 – The Torintone Suite is a fantastic function room which is fully accessible and is free from obstructions such as pillars.

TEAM BUILDING

TEAM BUILDING

Team building events really get people working together, having fun and achieving success. Whether you're looking to organise team building, away days, corporate fun days or team meetings then Thornton Hall can help.

Some of the most popular indoor & outdoor activities we have had include catapult constructing, treasure hunt and cocktail making. Our most popular outdoor activities are duck herding & air rifle shooting to name a few

For further details please contact the sales team on 0151 353 3716

The Treasure Chest

Our giant treasure chest is filled with prizes. Each team must follow the clues on their treasure map to find 9 unique team challenges. These activities will test their skills and earn them a key. The first team to gather all 9 keys can open the chest and claim the prizes!

Chain Reaction

This creative challenge requires teams to build a free flowing chain reaction across a series of platforms, towers, and bridges. Using a variety of materials, blocks and dominoes the teams must work together and problem solve to plan and build a successful reaction.

Duck Herding

Using a trained border collie you'll have to herd a flock of 6 Indian runner ducks around our obstacle course in the shortest time possible. Our instructor will teach you all how to control both the dog and the ducks, but these ducks are known to misbehave!

Medieval Fun

Team building goes medieval! Split into small teams you'll have 1 hour to build a medieval style catapult and score as many points against your opponents as possible. After this we'll finish with a friendly archery tournament with prizes for the top shots.

Archery & Air Rifles

A great introduction to target shooting, combining relaxed traditional archery with more focused long range shooting of air rifles. Our experienced instructors will have everyone hitting the targets in no time. Prizes for the top shots and winning teams.

Chocolate Factory

Our expert Chocolatier will show you how to make delicious handmade chocolate truffles and lollies. The best examples will win prizes, and any that haven't been eaten straight away can be taken away for later! This is a real treat for any event or conference.

Last Team Standing

A competitive team challenge in which groups go head to head to win each activity. Our specially designed games/puzzles require a variety of skills and techniques to succeed and, with 10 activities, there'll be a chance for every member of the team to shine.

Mixing Cocktails

A professional barman will show you how to make classics like Mojitos and Cosmopolitans. Then its onto a collection of cocktail inspired games and challenges. If you're looking for evening entertainment or a fun way to end your conference this is a great option.

THE SPA

THE SPA AT THORNTON HALL
