

Christmas Parties

Roman Baths & Pump Room

Festive fun and feasting in a unique and award-winning venue

Create an extraordinary event at the Roman Baths & Pump Room this Christmas

Roman Baths

Let your guests soak up the atmosphere at the iconic Roman Baths, with drinks beside the enchanting torch-lit waters of the Great Bath. There really is something very special about relaxing where our Roman ancestors would have gathered over 2000 years ago. After a chilled glass of Champagne, or perhaps a warming mulled wine, move upstairs to either the Terrace and Reception Hall, or the Pump Room – both beautiful options for the most festive of celebrations.

Terrace & Reception Hall

With a view of the steaming waters of the Great Bath, the Terrace can host a sit-down feast for 80 guests or even more for a standing buffet when you include the adjoining Reception Hall. The Reception Hall features an oval bar and space for dancing – perfect for some cheesy Christmas favourites or something more sophisticated if you wish – the choice is yours.

Pump Room

For larger gatherings, the stylish Pump Room awaits you! Its Corinthian columns, tall windows, and a dazzling crystal chandelier set the tone for a memorable evening. The adjoining King's Lounge offers a convenient bar location. If you are looking to host a grand celebration for 200 guests or more, you can combine the Great Bath, Pump Room, and Terrace & Reception Hall.

Book now and embark on an unforgettable journey through time:
