Originally from the estates of the Countess of Pembroke, Braxted Park is the largest walled private estate in the county.

The large Queen Anne house, beautifully restored by Sir Allen Clark in the 1950's, sits majestically at the end of a long sweeping drive, sure to impress your guests. The house is flanked by two beautiful large lakes which host a plethora of wild fowl, rare birds and exotic fish. Steeped in history and set within 500 acres of stunning Essex parkland, Braxted Park offers all the modern amenities you would expect from a high level event venue, while retaining the elegance and character of one of the most beautiful country estates in the East of England. Braxted Park is only five minutes from the A12, 50 minutes from London and a short drive from Stansted Airport.

Braxted Park has catered for innumerable events over 15 years, building up an amazing nationwide reputation for great tasting food, imaginative event ideas and impeccable service.
