## HOW DOES IT WORK?

Your guests are issued with vouchers entitling them to a complimentary drink. You can choose how many vouchers to give each guest and have the flexibility to give out more drinks vouchers at any time.

This is a great way to stay in control of your budget. We offer a reduction on the listed retail price for all of your drinks purchased by voucher.

Once all vouchers have been used, we can continue with a Cash & Card Bar. You can provide a branded voucher, if you wish.

## THE BAR

- Suitable sized portable bar
- All equipment such as fridges, ice, plastic cups etc included
- Experienced bar staff
- Tailored drinks menu if preferred
- Glassware available for hire\*

## WHAT DOES IT COST?

One voucher can be redeemed for one drink.

The Voucher Bar option can only be used in conjunction with a Cash & Card Bar. Your voucher drinks total will contribute towards achieving the minimum

required spend and will be invoiced after your event.

The bar must trade for at least four hours. Shoreditch Town Hall must be the only drinks supplier. There is a minimum of 75 guests.

An advanced deposit payment of £5+VAT per guest will be taken to settle against the post-event invoice for drinks consumed.

\* Additional costs apply

# PRE-PAID BAR

# PRE-PAID BAR

## HOW DOES IT WORK?

You cover the costs so your guests can receive complimentary drinks throughout the event.

We can offer bespoke solutions to meet any budget. Here are some examples of how this has worked for previous events:

### Option 1

You can pre-pay for a bespoke amount of drinks appropriate for the number of guests attending your event. Let us know whether your guests are likely to prefer beer, wine or soft drinks and we can tailor the offer to your requirements.

### Option 2

You can offer wine, beer and soft drinks the cost of which is then tallied up and invoiced afterwards. You can also add a selection of spirits and mixers if you really want to spoil your guests.

These options can be tailored to suit your needs.

## WHAT DOES IT COST?

You pay for the cost of the drinks. Bar infrastructure, staff and glassware can be included for an additional charge.
