

PROUD CITY

PRIVATE HIRE

The image shows the interior of a lounge named Proud City. The space is dimly lit with warm, ambient lighting. In the foreground, there are several curved, tufted leather bar stools arranged around a dark bar. The bar has a polished surface and is equipped with various glasses and bottles. In the background, a large screen displays the 'PROUD CITY' logo in a stylized, illuminated font. To the left of the screen, there is a stage area with a microphone stand and some equipment. The walls are dark, and there are decorative elements like a mounted animal head and a hanging plant. The overall atmosphere is modern and sophisticated.

Newly renovated Proud City is the perfect venue for an unforgettable private party. Located in the heart of London's financial district it is an intimate space recently renovated with a modern urban jungle vibe. Holding a capacity of 235 seated and 300 standing, this luxury venue lends itself perfectly to a VIP cocktail party or corporate entertaining, daytime conferences, or exclusive Christmas parties.

Floor tables can be removed to open up a sizeable dancefloor space and you can make your evening unforgettable by hiring our world class cabaret and circus performers.

The stage and huge screen makes it ideal for award shows and dinners plus the venue has a full lighting rig and PA system with sound equipment and in-house technical support

Our team are on hand to help transform this space into your perfect event, so you can sit back, sip your martini and enjoy the show.
