WELCOME FROM SEARCYS

Established in 1847, Searcys has been at the Barbican for over 35 years providing catering for unique events inside Europe's largest multi-arts and conference centre.

Our team has a wealth of experience having worked in some of London's greatest venues. We cater for various industry events, from intimate interval receptions and company parties, to corporate conferences and weddings.

Whatever the occasion, we design and deliver food that is fresh and uncomplicated, using only the best ingredients we can possibly find. Dietary requirements are always something we bear in mind so speak to us about it and we will work around your specific needs and requests. We have also highlighted vegan food with a (ve) symbol. We also use halal chicken. The following menus have something for everyone. We are also proud of our sustainability pledges, ensuring sustainability is at the heart of our business.

With our passion and working together, we help you to get the most outstanding meal experiences at the Barbican.

BIODYNAMIC AND SUSTAINABLE WINE LIST

Champagne Drappier became the first “carbon neutral” estate in the region (Écoact). From vine to wine, every effort is taken to sustain this status.

Gérard Bertrand are truly biodynamic; their main aims are to strengthen organic life and exchanges between the soil and the cultivated plant, with the primary consequence of no longer needing to use chemicals to protect it (pesticides) or feed it (fertilisers). With biodynamics, the winemaker cares for the vine, strengthens it, and harvests its fruits, without exhausting it.
