THE FUNFAIR. EXACTLY LIKE YOU DON'T REMEMBER.

A close-up photograph of a water pistol on the left, aimed towards a glass of orange drink on the right. The drink has a red and white striped straw and two blackberries on top. The background is a blurred fairground with blue and white patterns and a circular light fixture with red and yellow lights.

WELCOME TO FAIRGAME CANARY WHARF

Classic fairground games, reimagined. One unique, immersive experience. This is the funfair... exactly like you don't remember.

Fairgame brings all the sights, sounds and non-stop of the fair to the heart of Canary Wharf. Those fairground games to help us re-awaken our most joyous inner-kid are back – and this time they're hooked up to innovative RFID tech and digital leader boards.

With London's hottest street food vendors, unique event spaces and expertly crafted drinks menus to get the good times flowing, Fairgame offers the ultimate experience, all under one roof.

LET THE GAMES BEGIN!

We've taken the buzz of the fairground and dropped it into the heart of Canary Wharf. Fairgame is where retro fun gets a modern remix: **9 nostalgia-fuelled games** including **Roll-A-Ball Derby, Whack-A-Mole, and many more**, all created in-house to turn your trip down memory lane into a full-blown competition. Think epic prizes, bragging rights and digital leader boards tracking every glorious win.

Welcome to the ultimate arena where grown-ups come to play (no curfew required). Whether it's a cheeky catchup, a team takeover, or full-on festive mayhem, **Fairgame is where the fun happens.**

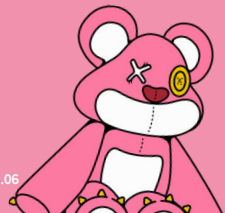

WIN & BEAR IT

Bringing you team-building like never before. We are excited to have launched Prizeorama, with a whole host of amazing new prizes, giving Fairgame fur-natics the chance to accumulate points over multiple visits. With three opportunities to win each time you come,* it's the perfect place for a few after work bears.

***and if you don't, we offer prize packages that will make you feel like a winner.**
