WHAT PEOPLE ARE SAYING:

“COULDN'T RECOMMEND SIB ENOUGH FOR SMALL WEDDING RECEPTION OR EVENT”

We hosted our wedding reception in the private basement of Sunday in Brooklyn in May 2023. We had a previous venue pull out a month before the day and Laura was amazing at helping us re plan our reception in just 4 weeks. As for the day itself, it was amazing. The staff set the room up perfectly with the flowers and decorations we provided. We had lovely welcome drinks and canapés followed by dinner. We had the pre ordered sharing menu and the food was delicious and our guests commented on how there was more than enough to go around. There was plenty of space in the room after dinner for dancing and we were able to play our own music.

“ABSOLUTELY MADE OUR WEDDING RECEPTION THE TRIUMPH THAT IT WAS”

It exceeded all our expectations- it went above and beyond! The amount of messages we've received from all our family and friends about the restaurant and the service- they were truly blown away by it! They LOVED the food, the venue, the staff and just how welcomed they were made to feel! Nothing was ever too much. Having our wedding reception at Sunday in Brooklyn honestly felt like we were partying and celebrating with our extended family! It feels like home- and that was an incredibly comforting and happy feeling to have on the day! We shall continue to praise you and will definitely spread the SiB word! Forever and always.

“IT WAS EVERYTHING WE HOPED IT WOULD BE AND SO MUCH MORE”

We just wanted to say a huge THANK YOU to you all for hosting our wedding reception. We had the best time - everyone loved the food, drinks and vibe. It was everything we hoped it would be and so much more. We could have not have done it without support, execution and service - thank you again.
