LONDON BATTERSEA
POWER STATION

A new hotel experience
in the heart of an iconic
central London location,
that fuses art, design and
hospitality.

London's hottest new hotel
opening sits proudly at the
top of Electric Boulevard,
overlooking the iconic Battersea
Power Station chimneys, just
minutes away from the new
Zone 1 Underground Station.

FOR THE CULTURALLY CURIOUS

ART & DESIGN

The first art'otel to open in the UK features interior design and original pieces of art by award-winning Signature Artist Jaime Hayon.

Inspired by the Power Station's history, heritage, and future, the concept is playful, bold and colourful.

GALLERY & EVENTS

Public Art Gallery showcasing an ever-evolving programme of exhibitions and art-inspired events.

6 Creative Meeting & Event spaces across 2 floors, for up to 200 guests.

Stunning rooftop bar and terrace for up to 240 guests.

Entertainment programme throughout the year in our restaurants and bars.

LOCATION

The only hotel located within the ground-breaking new Battersea Power Station development.

Minutes from the new Zone 1 Underground Station, Battersea Power Station, on the Northern Line, giving unlimited access to the city and beyond.

Adjacent to the iconic Power Station, perched at the top of Electric Boulevard, surrounded by an array of retail outlets, offices, café's, venues and more!
