

GROUP MENUS

KöD offers three menus for groups – Choose either 2, 3 or 4 servings. The starter is plated and served with home-baked bread, while we serve the main course sharing style with a refill option.

Everything you see on the various menus will be a part of your dinner. Therefore, you should not choose between the different servings – just enjoy tasting them all. We guarantee plenty of food as well as a lot of different flavours.

Our group menus are served for the entire group.
