THE ROOFTOP

AT TOBACCO DOCK

LONDON'S BIGGEST AND MOST IMAGINATIVE OUTDOOR ROOFTOP BAR

Summer sees our famous rooftop transform into an urban playground in the sky complete with croquet lawns, delicious street food, award-winning cocktails and Insta-worthy views, including the distinctive financial district's skyline, set at just the right angle for spectacular sunset photo ops.

We've plenty of covered seating, meaning there's no need to panic if the weather isn't in the party mood. There are even two croquet lawns on our lower level, so rain needn't stop play. Guests can socialise at our well-placed tables or settle down in our garden booths and day beds on the upper level.

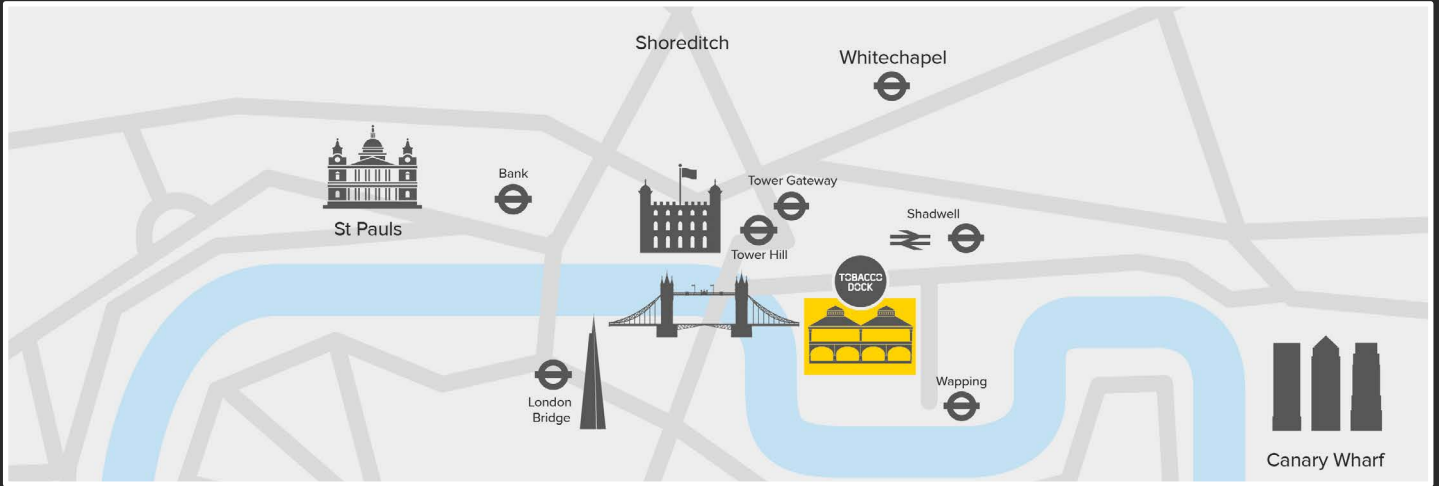

The Rooftop is an established party favourite for many of the city's leading companies, including JP Morgan Chase, Tableau, TikTok and Accenture, come up and find out what all the fuss is about!
