

Venue Hire

A stylish and welcoming
wine bar available
for private hire

OPS Wines is an independently owned wine & tapas bar, located in trendy South East London. Situated over two floors and with its own private outside garden space, the venue is flexible to suit the needs of every individual booking.

Located in a railway arch along the well-known Bermondsey Beer Mile, the venue is just a few minutes' walk from Tower Bridge, and easily accessible via Bermondsey or London Bridge stations.

Intimate yet stylish, the interior is vintage meets industrial: think exposed brickwork, an ultramodern glass and steel mezzanine, handmade upcycled wooden flooring, and a custom built granite-topped bar.

OPS Wines offers a menu of wines imported directly from Portugal, as well as cocktails and Portuguese beers. The unique food menu offers sharing platters and small plates, many of which are made with ingredients sourced from other local businesses.

Ground Floor

The ground floor of OPS Wines is a stylish, spacious environment fit for multiple purposes. Finished with exposed Victorian brickwork and boasting a ceiling of 30 feet, the space is light, bright and inviting: the floor-to-ceiling glass frontage introduces an abundance of natural light.

Enter further in - towards the venue's main bar, custom built and finished with a white granite top - and the space is cosy and inviting, with a comfy sofa area and small tables next to racks of fine wine.

The sky is the limit on how you can use the space: whether it's a drinks reception with a finger buffet, a seated main meal, or clearing out the tables to create an incredibly atmospheric dance floor with ample space for a DJ.

The Mezzanine

Hosting a smaller, more intimate gathering? The Mezzanine - our upper floor - can be rented separately from the rest of the wine bar.

An inviting and airy space neutrally decorated with warm colours, this attractive area boasts a beautiful handmade upcycled wooden flooring, and lovely elevated views of the space below, out of our all-glass frontage and into the street.

The layout of the venue means the Mezzanine does not have any 'through traffic' from other guests, easily keeping your event private.

A highly versatile space, The Mezzanine is suitable for gatherings of up to 95 seated and can be adapted to suit your event. Everything from a conference layout to full restaurant seating is possible - perfect for office parties, personal celebrations, club meetings, sales pitches, social events and much more.

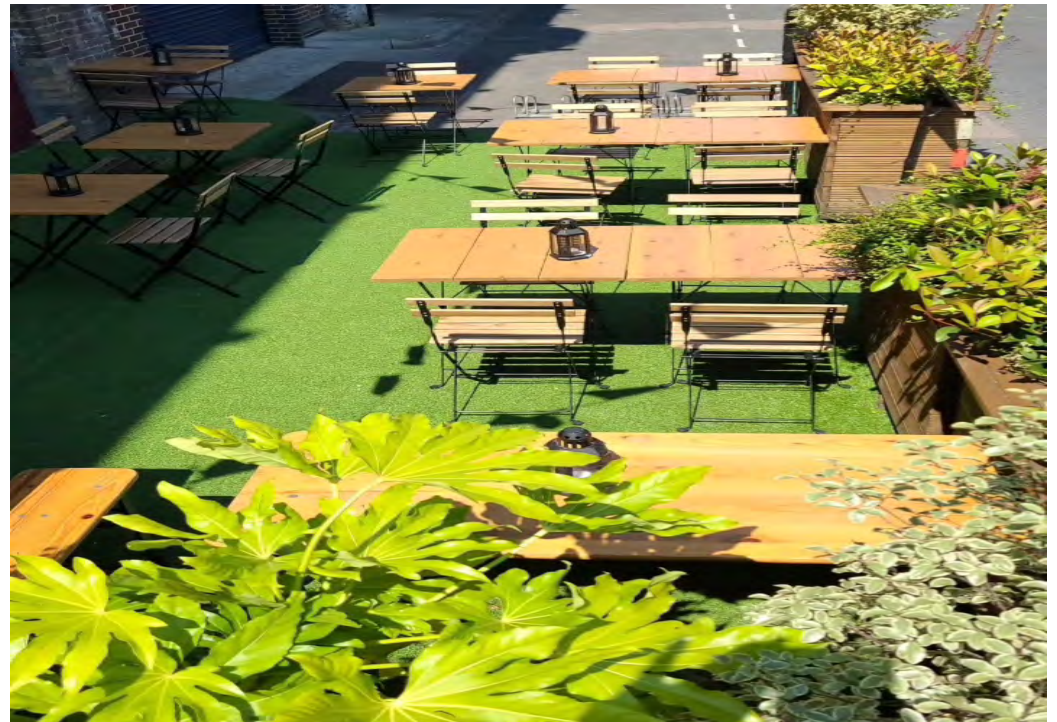

The Outside Area

Our dedicated outdoors space is a fantastic addition to any private event.

Sheltered by a large canopy and kept semi private from the street by large planters filled with greenery, it's a place to cool off after dancing too hard, a convenient smoking area, and excellent gathering place for smaller groups – and stay warm even in winter, under the glow of our heat lamps.

This area can seat 20 comfortably, with additional room for standing guests.

Pricing

The spaces within OPS Wines are available to hire on a minimum spend basis. In other words, there is no fee for the hire of the space itself - instead, the full value of your payment can be used to purchase food and drinks for your guests from our menu. You can leave it open to your guests to order what they like, or limit their choices by ordering in advance from our menu.

Once the minimum spend amount is reached, you can choose to either pass over the cost of additional food and drinks to your guests, or cover the extra cost yourself.

If the full amount of the minimum spend is not reached, the unspent value is non refundable.

The minimum spend your booking will incur is dependent on the day of the week, the time length of your booking – we offer five and ten hour slots - and the areas you want access to – we rent the Mezzanine, or the whole venue. Please see the table below for more information.

This pricing is accurate for booking up until June 2024. Please enquire for other dates.
