THE STORY

Viajante87 is an intimate, sophisticated, and luxurious high-energy experiential hideaway, threading the influences of our team's latest travels reflected through our cocktails, food, and music, located in the heart of West London.

Our current inspiration takes guests on a captivating journey through Latin America by using carefully curated seasonal ingredients that draw inspiration from the culinary traditions from Mexico to Brazil and Argentina to Peru.

Alongside our cocktail menu of classic and innovative creations, we invite you to also explore one of Europe's premier agave spirit collections with over 300+ tequilas and mezcals from top brands to small-batch artisans.

Our name, "Viajante", translates to "explorer" in Spanish, reflecting our commitment to celebrating exceptional cultures, unfamiliar ingredients and evocative experiences across the world.

THE LOCATION

Nestled discreetly in Notting Hill Gate, a sophisticated subterranean enclave awaits.

The hidden 1,500sq ft below ground cocktail bar brings a new concept to the West London landscape, embodying the true essence of exploration.

Our nearest underground tube station is Notting Hill Gate, conveniently located on the Central Line.

THE DRINKS

Viajante87 is a seductive yet elegant late-night destination, where our cocktail menu is influenced by our team's latest travels. Currently our cocktail concept is inspired by travels through Latin America.

Innovative serves include the Vino Tropical, which drinks like a rich tropical off-dry Champagne, based off Peruvian Chardonnay, with an addition of Pox, a liquor commonly used for ceremonial purposes among the Mayans, and Charanda Old Fashioned, with Urapan Rum, Tapatio Reposado Tequila, Agave, and Brazilian Amburana Seed.

Viajante87's ethos is about being deeply rooted in a profound curiosity and genuine love for travel and exploration.
