SIXES

THE GAME

CRICKET, BUT NOT AS YOU KNOW IT

The original iconic Sixes experience guarantees adrenaline and competition in abundance, regardless of experience! Guests simply grab a bat, select their level and they'll be swinging for the boundaries in no time.

Cutting-edge technology bowls soft balls, with points scored depending which targets they hit.

The perfect all-action, high octane activity for corporate events, nights out or friendly battles!

THE GAME IS VERY SIMPLE

5 skill levels:

- Beginner
- Amateur
- Club
- Professional
- World Class

Two Game Modes:

T20 Game:

Score as many runs as possible by hitting targets while facing six balls per over. The player with the highest individual score is victorious!

The Hundred Game

Ideal for team competition! Players face 5 balls each turn, with their score adding to the group's total score. Highest team score wins!

FOOD AND DRINK

SIXES

SIXES

Sixes was founded on the belief that sport and hospitality hold an unrivalled ability to unite and delight people for good and good times shared. To this end, let it never be said that Sixes is solely about cricket and sport. Hell no! Amazing food and something delicious to wash it down with are firmly at the heart of the Sixes experience. Gather the crew and join us for delicious burgers, sharing plates and wood fired pizzas. Our events team will create a bespoke food and drink order for your event at Sixes.

**AMAZING
FOOD**
and something
delicious to wash
it down with!

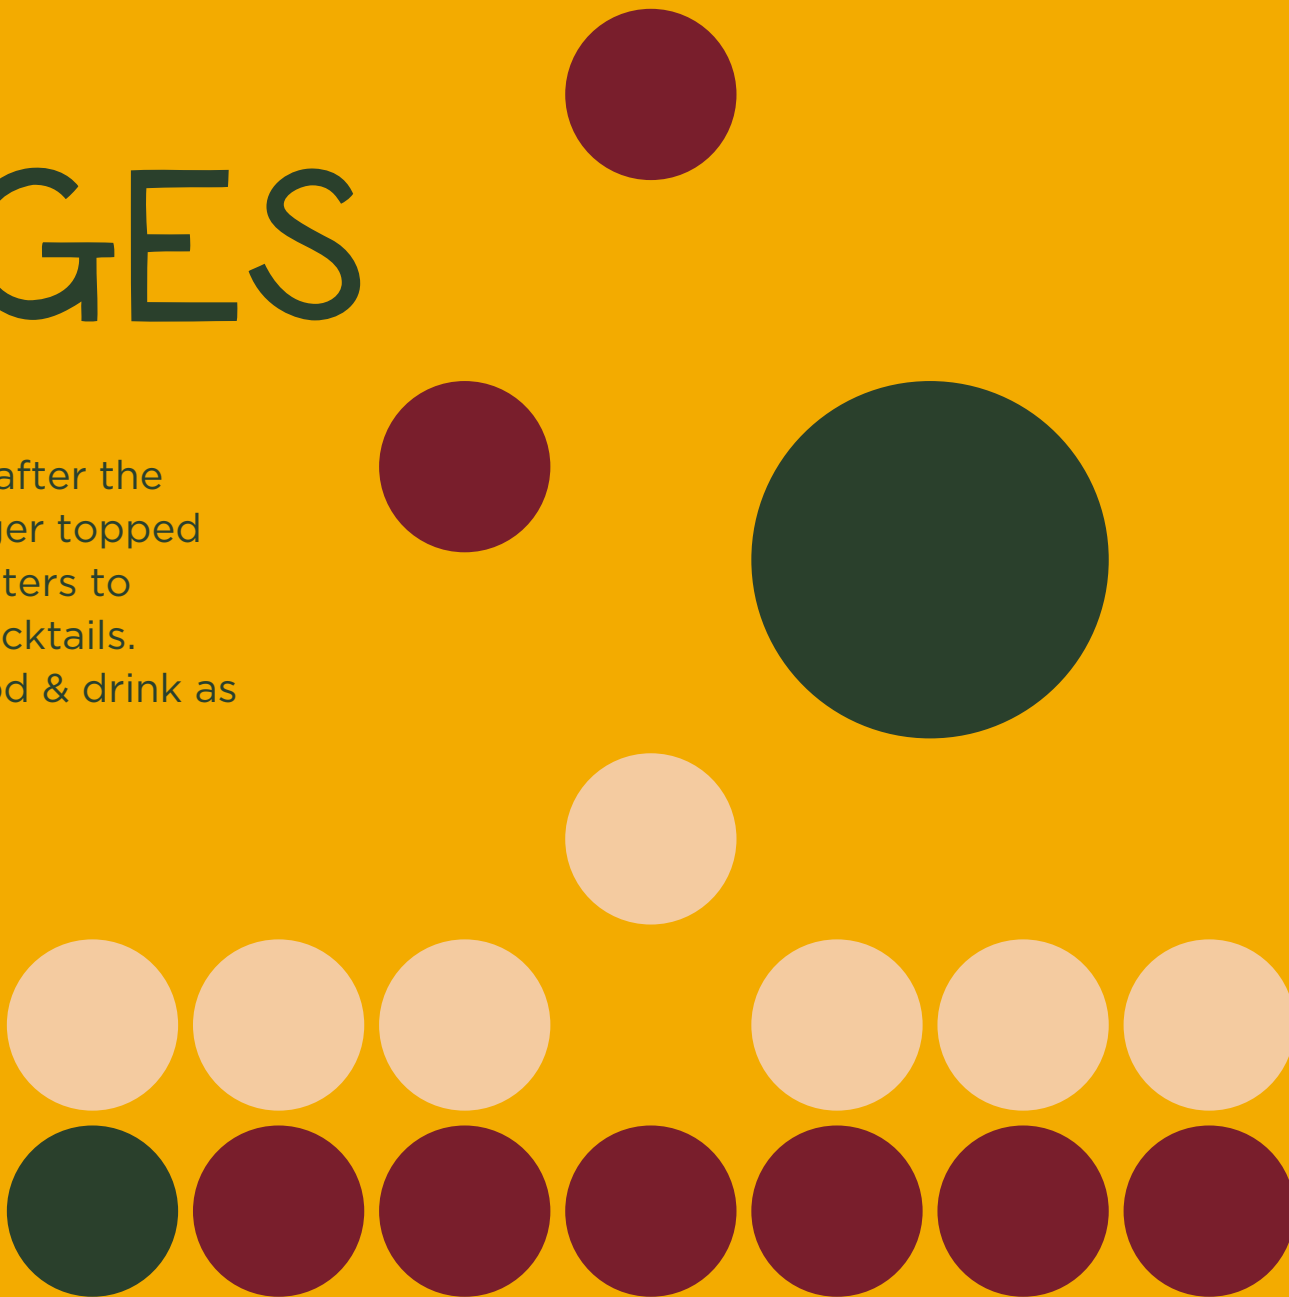

SIXES

VIEW OUR PACKAGES

Keeping you fuelled before, during or after the cricket, dive into everything from burger topped cricket bats to sumptuous sharing platters to wood fired pizzas and theatre filled cocktails. We're just as passionate about our food & drink as we are cricket.
