### BOCCONCINO

# PRIVATE DINING ROOM

### **About Bocconcino**

Born in 2006, nestled within Forte dei Marmi, Tuscany, our restaurant embraces the opulence of Italian cuisine, merging it seamlessly with the sophistication of London's culinary scene. Initially capturing the elegance of the Mediterranean, we transported a unique dining experience to the heart of Mayfair and, in 2023, our newest site, Soho. Evolving into a symbol of chic dining, our venues have earned numerous accolades and caught the eye of discerning diners and glossy magazines alike. A crowning achievement was being awarded the title of "Best Luxury Restaurant" in the 2023 British Restaurant Awards.
