WHO WE ARE

Located in Vauxhall - the Vauxhall Food & Beer Garden was established in 2014 and since then has cemented itself as one of London's biggest and best beer gardens, offering a range of international street food vendors and a large selection of drinks alongside our vast array of indoor and outdoor events.

Originally a disused car park, the venue has had a significant level of investment creating an inner-city oasis, offering an escape from the hustle and bustle of London for local residents, office workers, foodies and drinkers alike!

With a modern geometric graphic design, and turfed throughout, the Vauxhall Food & Beer Garden is the perfect setting for any corporate function.

WHAT WE DO

Offering a cosy getaway in the heart of London, and refurbished twice a year, we host a selection of events aimed at foodies, sports fans, the LGBTQ+ community, comedy fans and more.

Our events make the full use of our leading production with sports events shown on large LED screens, bottomless brunches with amazing stage shows, and play host to our very own Vauxhall Comedy Club.

Attracting famous artists like Jack Whitehall, Romesh Ranganathan and the very best drag talent from Ru Paul's Drag Race, the Vauxhall Food & Beer Garden is renowned for breaking the mould and redefining what a beer garden is, whilst supporting the very best local talent to develop.

Our festival events offer a cultural experience which is difficult to find anywhere else in London with our signature Rum & Reggae Festival, Pizza & Prosecco event, Oktoberfest and more.

We champion diversity, which is at the heart of everything we do having developed from one of the UK's largest LGBTQ+ venues.
