

LOS MOCHIS

LONDON CITY

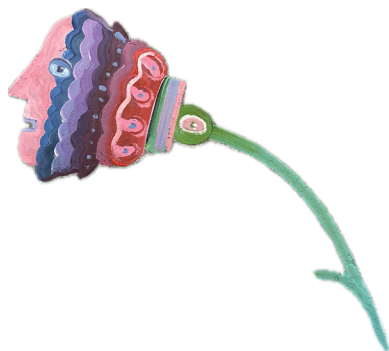

WHERE TOKYO MEETS TULUM

Our philosophy is inspired by blending Mexican spirit with Japanese elegance. Mexican flavours with Japanese techniques are woven into every touchpoint, from the food and drinks to the décor and service.

Our agaveria bar and lounge is a haven for enthusiasts and connoisseurs of agave spirits.

We proudly house one of the largest and most diverse collections of fine and rare tequilas and mezcals. From internationally acclaimed brands to small-batch artisanal agave spirits, our curated selection promises a journey through the rich and complex world of agave-based drinks and cocktails.

We also offer an exceptional collection of Japanese whisky's, sakes and wines. Explore our unique selection of cocktails, with contemporary twists on classic favourites, where we blend Mexican vibrancy with Japanese precision.
