## MEETINGS & EVENTS

Located in Westminster, choose from an array of inspiring spaces for private dining, entertaining, meetings and social occasions. The Westminister offers 464 modern guest rooms and suites to complement your experience.

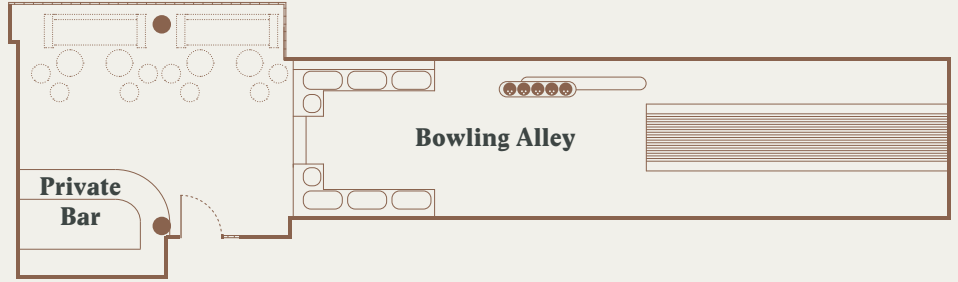

Private spaces located on the ground floor can be booked separately, or make use of the entire space with connecting lobby. The Bowling Alley located on the first floor is perfect for when work is just as important as play, while the private dining room, awash with natural daylight, is the perfect spot for lunch, before evoking the exclusive feel of a private members club of an evening.
