

# A Guide to Events and Parties at DNA VR

# Ready to party?

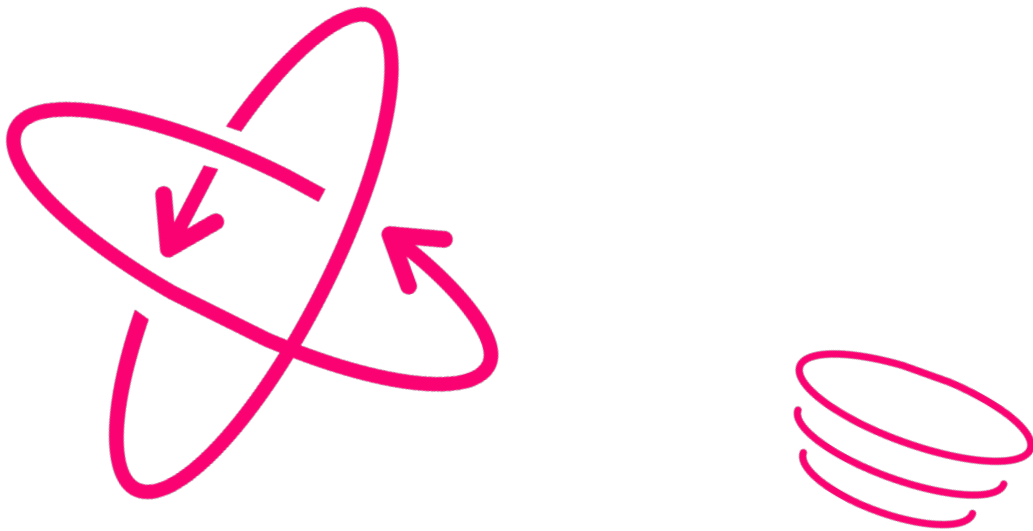

Birthday, stag/hen do, staff party - come and celebrate at the coolest place in London! DNA VR takes virtual reality to the next dimension with our unique social approach to gaming, making it the perfect place for groups of all sizes, ages and experience levels to explore the virtual world together.

Do you want to defend your town against hordes of zombies? Compete in a crazy laser dance battle? Fly around in an epic game of anti-gravity laser tag?? We have it all.

# Session Types

We offer a few different session types here at DNA.

All standard sessions are 1 hour long, but if you have a large group we would recommend booking for multiple slots (please see the Capacity section for more information).

Before each session starts, one of our VR Masters will give the group a full safety and information briefing, explaining all the controls and how the session works. Our expert VR Masters will also be there throughout the session to help guide them through the games and make recommendations to make sure they get the most out of the session!

Please see below for a basic overview about the session types that work best for parties! Please note, each venue has a different capacity so keep reading further to find out which one is best suited for your event.

**Group Booking  
(Large VR Arcade)**

Up to ~25 players  
Suitable for ages **7+**  
1-2 hours

**Multiple Simultaneous  
VR Escape Rooms**

Up to 11 players  
Suitable for ages **10+**  
**(7+ with an adult)**  
1 hour

**Whole Venue  
Exclusive Booking**

Up to ~30 players  
Suitable for ages **7+**  
**(10+ for Free Roam)**  
1-2 hours

# Capacity

## Hammersmith - London

**9** headsets/booths

**4** free roam headsets

**Large VR Arcade: 10-18 players**

**Whole Venue Booking: 5-26 players**

## Battersea Power Station - London

**11** headsets/booths

**4** free roam headsets

**Large VR Arcade: 11-25 players**

**Whole Venue Booking: 5-35 players**

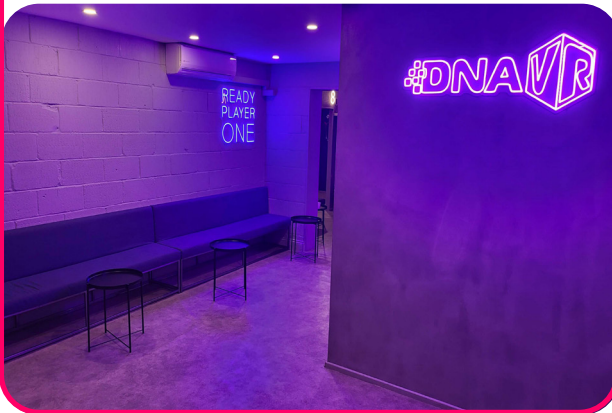

## Camden - London

**11** headsets/booths

**4** free roam headsets

**Large VR Arcade: 11-20 players**

**Whole Venue Booking: 5-35 players**

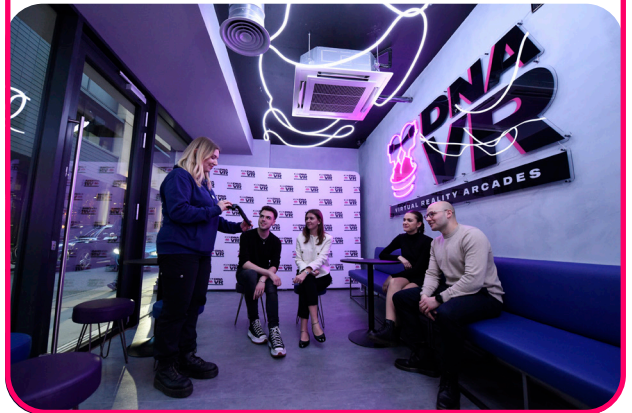

## Manchester

**15** headsets/booths

**4** free roam headsets

**Large VR Arcade: 15-30 players**

**Whole Venue Booking: 5-40 players**

Although there are a limited number of headsets at each venue, you can still bring a larger group of friends!

If your group exceeds the maximum number of headsets, our experienced VR Masters will be on hand to assist with swapping members of your group in and out of the headsets so everyone gets a fair turn within the session.

We have a reception area at each venue where those who are not playing can rest and watch the others via the TV screens while they are waiting, so everyone is still involved.

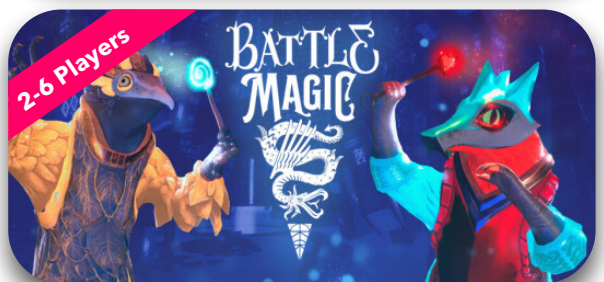

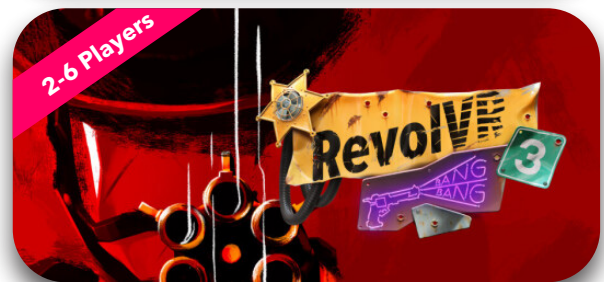

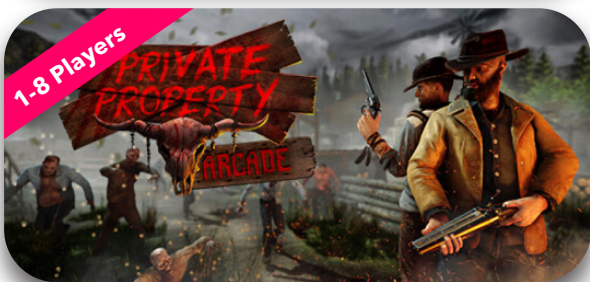

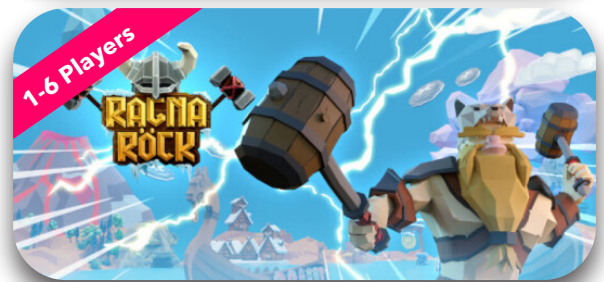

For less than 10 players, 1 hour is usually enough but if you are going to be sharing headsets, 2 hours is better so everyone gets a fair chance to play!

# Large VR Arcade

Each player will have their own headset inside their own booth but they will be able to see and hear each other within the virtual world.

The group will have access to all of the games in our VR Arcade library which they can pick and choose between freely throughout the session. They can choose between multiplayer games for the whole group or they can play games individually

More information on the games available in this session can be found on our website [here!](#)

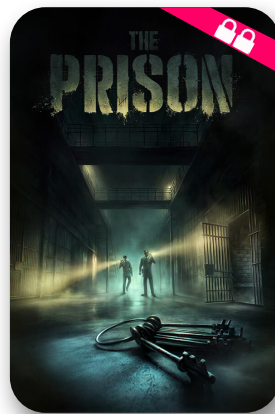

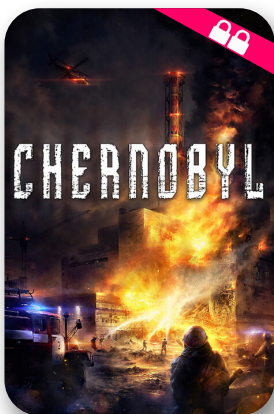

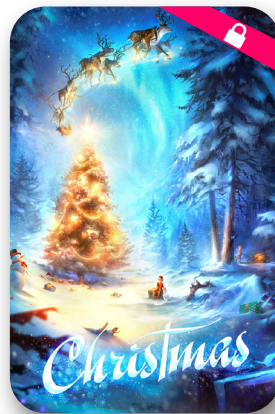

# Multiple Simultaneous VR Escape Rooms

Each player will have their own headset inside their own booth, but they will be able to see and hear each other within the virtual world.

Teams have an hour to work through the different puzzles and challenges to escape the game.

Escape Rooms can be played in teams of 2 to 6 people. However, we can run multiple Escape Rooms in the same session, so if the group is larger than 6 players, they can split into two teams and compete for the best time!

There is a wide range of themes to choose from, all with varying degrees of difficulty (indicated by a padlock rating). One of our VR Masters will help the team choose which one is best suited to them on the day! See the full [gallery](#).

# Whole Venue Exclusive Hire

The group will have exclusive access to the Arcade and the Free Roaming experience throughout their session.

## Arcade:

The group will have access to all of the games in our library which they can pick and choose between freely throughout the session. Each player will have their own headset inside their own booth, but they will be able to see and hear each other within the virtual world. They can choose between multiplayer games for the whole group or they can play games individually.

## Free Roaming:

Players are all in the same room where they can walk around freely without any wires holding them back! There are a choice of shooting games to pick from.

More information on the games available in this session can be found on our website.

# Food & Drink

**Please note: Too much alcohol and VR do not mix very well! In order to make your experience smooth and enjoyable, as well as to protect your group from unnecessary incidents, we recommend that you come as sober as possible.**

## 1. Bring your own

Although we do not have a separate party space for food and drink after your session, our reception area has seating and small tables where food and drinks can be enjoyed in the break between sessions. **This option is only available if you have booked the Whole Venue Exclusive booking with maximum number of headsets for 2 hours or more.**

## 2. Order in

Lets us know if you would like us to help organise delivery of food to our venues from local suppliers or via Deliveroo etc. **This option is only available if you have booked the Whole Venue Exclusive booking the maximum number of headsets for 2 hours or more.**

## 3. Eat Out

There are plenty of great restaurants near all of our venues that would be happy to host your group after the session! Contact our team for any recommendations.

# Pricing

Pricing varies depending on what day you would like to come

**Super Off Peak  
Monday - Wednesday**

**Off Peak  
Thursday - Friday**

**Peak  
Saturday - Sunday**

**See below for a link to our pricing calculator to plan out your party!**
