Lessons & Practice

Whether you are an accomplished shot with your own gun and licence, or a newcomer wishing to try the sport for the first time, at Bisley Shooting Ground we cater for all levels of experience for adults and juniors from 10 years old.

Our Lessons and Practice sessions are available 7 days a week.

If you are a beginner, your instructor will take you through the basics of safety and gun handling before accompanying you through some of the most beautiful Surrey countryside for your session.

We have an enormous array of targets appropriate for any standard of shooter, and the quicker you learn the more challenging the targets will become! With over 35 stands, 5 Grouse layouts, a High Tower and 200 foot Crane, this is a ground that will test and excite you.

If you do not have your own equipment we will provide everything that you need, all we ask is that you wear something appropriate for a walk in the countryside. Being an outdoor sport we shoot in all weathers, come rain or shine!

Corporate & Charity Events

Bisley Shooting Ground is just 30 miles from central London and is famous for the beauty of its setting, the charm of the Victorian Clubhouse and expert tuition from the Instructors.

Clay Shooting is a sport for everyone, as unlike other sports your guests do not need to buy anything or have any experience to enjoy the day. A Clay Shooting Corporate or Charity Event is the perfect team building, networking or staff day out.

We offer full catering on our Events for 15 or more guests, Monday-Friday. After a great day of shooting with good company and plenty of fresh country air, it is only fitting to retire to the newly decorated Victorian Clubhouse for a few drinks at the Bar. A fine dining Lunch will follow, in the comfort of the Dining Room. The Dining Room seats up to 70 guests, or for larger events, we have marquees available.

The Events Manager will focus on making your day run like clockwork, to leave you and your guests to enjoy the day to the full. Choose from one of our set formats or discuss the options available for a bespoke event to your specific needs.
