# TESTIMONIALS

**CBRE**

Thank you so much for all your help organising the space and making sure it all ran smoothly. Honestly, we only have positive feedback. The ability to have a presentation slides up and a mic for our award night was great. I also wanted to say a big thank you to one of your staff, I didn't catch his name but he helped us move around all the tables and was so patient when we changed our minds about how we wanted the layout to be. Thank you for all your help and we look forward to hopefully another Christmas party with you next year!

Just wanted to drop you an email to say a massive thank you for yesterday and for all the help in the lead up to our party. We had an amazing time and everything went so smoothly. Your team, in particular Harrison, we so great and made our experience even better. Once again thanks so much!

**PLANET V**

I just wanted to say thanks to you and the team for such an amazing night. The space was set up beautifully, everyone loved the food and the team were so friendly and helpful. We'll definitely be back!
